INFORMATION DISCLOSURE STATEMENT UNDER 37 CFR §1.97(c)

Commissioner for Patents  
Washington, D. C. 20231

Pursuant to 37 C.F.R. §1.97, documents that may be material to the examination of this application are listed on the attached Form PTO-1449.

The Applicants submitted the same Information Disclosure Statement on 14 March 2001 before the application's serial number was available (copy enclosed). Please charge our Deposit Account No. 03-1677 in the amount of \$180.00 for submission of an Information Disclosure Statement. Please charge any additional fees concerning this matter or credit any overpayment to our Deposit Account No. 03-1677.

No inference should be drawn that the attached list represents a comprehensive investigation, or that any disclosure in the listed documents is equivalent to the subject invention.

The cited document disclose numerous specific features. There has been no attempt to enumerate each and every feature disclosed by each document, however. The Examiner is requested to review these documents and to determine the extent of the materiality of the document disclosures, if any, with respect to the present invention.

construed as an admission that the art or document disclosure is necessarily within the invention field of endeavor, that the art or document disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that the art or document disclosure is otherwise necessarily prior art as defined by the patent law with respect to the instant invention and application.

Also, there is reserved the right to later set forth how the claimed invention is distinguished over the disclosure of any document or other art, including the disclosures of the art and documents recited herein, and that may be cited by the Examiner in rejecting a claim in the instant patent application.

The recitation herein of the art and documents is not to be construed as an assertion that more pertinent art could not possibly be in existence.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Steven Weseman". It is written in a cursive style with a long horizontal line extending from the end of the signature.
